1. Masks are encouraged upon entering the Historic Metropolitan Courthouse.
2. Masks are ***required***, covering the mouth and nose, of all persons in the Part I Courtroom, unless the Court allows a party, attorney, or witness to remove their mask while speaking.
3. No more than two (2) persons may be seated together at each counsel table. Plexiglass partitions are installed on either side of the podium.
4. Exhibits are to be presented to witnesses in notebooks, prepared by counsel or the parties, and through use of the courtroom visual presenter, to minimize the passing of documents and movement within the courtroom. Parties are requested to provide the Court with one additional copy of all exhibits.
5. Frequent use of hand sanitizer is suggested. At appropriate times, the Court may pause the proceedings to allow courtroom surfaces to be sanitized.
